Portfolio: <https://portfolio-henna-nine-26.vercel.app>

SUMMARY

MERN Stack Developer skilled in React, Tailwind CSS, and REST API integration. Experienced in building responsive web apps, optimizing performance, and delivering real-world projects through internships and freelance work. Strong problem-solving skills and attention to detail.

WORK EXPERIENCE

Front-End Developer Intern – Macincode, Salem

Sep 2024 - Oct 2024

- Contributed to two projects utilizing modern frontend technologies.
- Project 1:** Participated in the final stages, working with React and React Bootstrap to integrate REST APIs from the backend to the frontend and create screens.
- Project 2:** Contributed from scratch with a 25% impact, using React, Tailwind CSS, and multiple NPM packages.
- Responsibilities included creating user interfaces (UI), REST API integration, and performance optimization to enhance the overall application experience.

Freelance Web Developer | Alfa Service Center, Bangalore

Dec 2023

- Successfully developed a real-world website for Alfa Service Center in Bangalore, enhancing customer engagement and showcasing their services, leading to a 20% increase in customer visits.
 - Designed the contact page, implemented email functionality using Email.js, fixed bugs, and enhanced user experience, contributing to a 25% improvement in overall project quality for a four-page website.
 - Technologies: HTML, CSS, JavaScript, jQuery, Bootstrap, Email.js
-

Full-Stack Projects - ([Projects Links](#))

- Developed end-to-end MERN stack applications, demonstrating proficiency in front-end design, back-end development, database management, and API integration for seamless functionality.
-
