SUMMARY

Front-End Developer with a passion for building responsive and engaging web applications using modern technologies like React, Tailwind CSS, and JavaScript. Proven ability to design seamless user experiences and deliver pixel-perfect, high-quality solutions. Eager to contribute to innovative projects and drive organizational success through creativity and technical expertise.

WORK EXPERIENCE

Front-End Developer Intern

Sep 2024 - Oct 2024

Macincode — Salem

- Contributed to two projects utilizing modern frontend technologies.
- **Project 1:** Participated in the final stages, working with React and React Bootstrap to integrate REST APIs from the backend to the frontend and create screens.
- **Project 2:** Contributed from scratch with a 25% impact, using React, Tailwind CSS, and multiple NPM packages.
- Responsibilities included creating user interfaces (UI), REST API integration, and performance optimization to enhance the overall application experience.

Freelance Web Developer | Alfa Service Center, Bangalore

Dec 2023 - Dec 2023

- Successfully developed a real-world website for Alfa Service Center in Bangalore, enhancing customer engagement and showcasing our services, leading to a 20% increase in customer visits.
 - Designed the contact page, implemented email functionality, fixed bugs, and enhanced user experience, contributing to a 25% improvement in overall project quality for a four-page website.
 - Technologies: HTML, CSS, JavaScript, jQuery, Bootstrap, Email.js
-

Projects

- Developed multiple React projects showcasing expertise in state management, responsive UI design, and API integrations for enhanced functionality. ([Portfolio](#))
-
